Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 24 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showery today and tomorrow. Very mild by midweek.

Today:
Occasional rain moving eastwards across the region. Drier conditions following from the west during the afternoon, with some sunny spells but also a few showers. Breezy, particularly in the morning. Maximum temperature 15 deg C (59 deg F).

Tonight:
Plenty of dry weather overnight with clear periods, however a few showers are possible. Winds continuing to ease allowing for a cooler night than last night. Minimum temperature 7 deg C (45 deg F).

Monday:
Sunshine and scattered showers with a few heavier downpours possible and the chance of hail and thunder. Breezy at times but feeling pleasant enough in the sunshine. Maximum temperature 14 deg C (57 deg F).

Outlook for Tuesday to Thursday:
Dry and bright on Tuesday. Cloudier on Wednesday, with some patchy rain later. This should clear, at least for a time, on Thursday. Very mild throughout but windy at times.
